

Dear Family,

To help our school be even more safe and supportive, we are also going to use the *Second Step* Child Protection Unit. In these lessons, children will learn three types of skills:

- **Personal Safety.** Children will learn important safety rules, such as safety with guns, sharp tools, and fire, and when riding on wheels or in cars. They will also learn ways to help them decide if something is safe or not.
- **Touching Safety.** Children will learn about safe, unsafe, and unwanted touches, and rules about touching private body parts. They'll also learn to say no to unsafe or unwanted touches, and to tell a grown-up if someone breaks rules about touching private body parts.
- **Assertiveness.** These lessons will also give children a chance to practice asking a grown-up for help, telling a grown-up about an unsafe situation, and being assertive to get out of unsafe situations.

Go online to SecondStep.org and log in with the activation key CPUE FAMI LYGE to get more information about what your child is learning in the *Second Step* program. Thank you for helping us to make our school a safe and supportive place where everyone can learn.

If you have any questions about the Child Protection Unit or the *Second Step* program, please contact me. Please complete, sign, and return this letter.

Sincerely,
Laura
